

Present: Cllr M. Brown, Cllr E. Collins, Cllr W. Cooper, Cllr M. Sneddon Cllr N. Weston

Also in attendance: District Cllr D. Burn; five members of the public

NOTE: In the absence of a clerk or any elected officers (the chairman elected at the previous meeting subsequently resigned and the election of the vice chairman at that meeting was invalid) the meeting was opened by District Cllr Burn. He explained that a chairman had to be elected at this meeting for it to proceed, even if the candidate was prepared to remain in office only until the next meeting.

03.18.01 Election of Chairman

On the understanding that a re-election for Chairman would take place at the next meeting of the parish council, Cllr Weston agreed to be nominated by Cllr Brown; Cllr Sneddon seconded and the remaining members were all in approval. Cllr Weston was therefore duly elected as Chairman until the next meeting and took the Chair from this point. He signed the Declaration of Acceptance of Office at the end of the meeting

03.18.02 Election of Vice Chairman

On a similar understanding as above, Cllr Sneddon accepted nomination by Cllr Cooper and was seconded by Cllr Collins; all remaining members were in approval. Cllr Sneddon was therefore elected as Vice Chairman until the next meeting. She signed the Declaration of Acceptance of Office at the end of the meeting.

03.18.03 Appointment of temporary minutes recorder (for this meeting only).

District Cllr Burn agreed to carry out this function.

03.18.04 Apologies for Absence

An apology was received and accepted from Cllr Shirley-Smith.

03.18.05 Declarations of Interest and Dispensations

03.18.05.1 Members were reminded of their obligations under the Suffolk Code of Conduct and the Nolan Principles of Public Office. A printed copy of the latter was handed to each member. Cllr Weston queried whether it was still current and **District Cllr Burn** undertook to find out.

03.18.05.2 Cllr Collins declared a non-pecuniary interest in agenda item 03.18.09.1, application no. 1574/13. Members were reminded of the requirement to update their Register of Interests as appropriate.

03.18.06 PUBLIC FORUM

- 03.18.06.1 To receive reports from County Councillor Jessica Fleming and District Councillor David Burn. Cllr Fleming had submitted a written report in which she drew attention to: the launch of the consultation on the draft revised National Planning Policy Framework, closing date 10 May; a consultation in the summer on the future of the Record Service in Lowestoft; the announcement of the preferred alignments of Ipswich's Upper Orwell Crossings; new potholes and drainage problems on the roads caused by the recent bad weather. Cllr Burn gave details of the Boundary Commission's latest proposals for redrawing the ward boundaries in the district, which are being consulted on again. Under the proposals, Palgrave ward would be increased to include the parishes of Braiseworth, Stoke Ash and Thwaite
- 03.18.06.2 Members of the public commented on the provision of a defibrillator in the village; declaration of interest by council members; planning application DC/17/05897 (see below under item 03.18.09.1); the extent and value of the work carried out by the PDCC and its strained relationship with the PC.

03.18.07 Minutes of the previous meeting(s)

03.18.07.1 Proposed by Cllr Weston, seconded by Cllr Cooper and by a unanimous vote it was again resolved to defer acceptance of the minutes of the meeting of 14 December 2017 until the next meeting because the resignation of the previous chairman meant that the required search of previous minutes – to establish whether or not the expenditure of council funds on road improvements had been formally agreed – had not been carried out. **Cllr Weston** will now do the search.

03.18.07.2 Proposed by Cllr Weston, seconded by Cllr Sneddon and by a unanimous vote it was resolved to defer acceptance of the minutes of the meeting of 8 February 2018 until the next meeting to allow **District Cllr Burn**, who had drafted the minutes, from notes and a recording made by members of the public, an opportunity to fill some obvious gaps.

03.18.07.3 Matters arising from the minutes of the meetings of 14 December 2017:

- re minute 10.17.09.4 and minute 12.18.05.1 of 8 February meeting (incomplete since decision at 12 October 2017 meeting): **Cllr Weston** to carry out transfer of the safe and filing cabinet to the PDCC
- re minute 12.17.05.1: **Cllr Weston** to search previous minutes for evidence that expenditure of council funds on road improvements has been formally agreed

Matters arising from the minutes of the meetings of 8 February 2018:

- re minute 12.18.08.1: **Cllr Sneddon** to write letter of appreciation to former councillors Elaine and Mike Bootman;
- re minute 02.18.9: **Cllr Weston** to confirm with Vertas that their service will continue to be required, with seven cuts a year and weed control for the cemetery carpark;
- re minute 02.18.16: **Cllr Brown** to contact Suffolk Neighbourhood Watch and suggest they reapply in the autumn, when the parish council considers all such donation requests.

03.18.08 Highways

03.18.08.1 To receive an update on traffic calming and pedestrian safety measures as previously agreed. County Cllr Fleming had sent plans of the design for two of the suggested improvements for the council’s consideration:

- Lion Road junction with Priory Road. Realign kerb line and dropped crossing (north side of road): Cllr Cooper proposed and Cllr Collins seconded support for the proposed design and the remaining members agreed unanimously.
- Lion Road Upper Rose Lane. Remove centre line and provide new centre hatching: members felt that the hatching would e visually too intrusive and doubted that it would have the desired effect of slowing down the traffic. Cllr Sneddon proposed that a simple central line should be requested; this was seconded by Cllr Brown and the remaining members agreed unanimously

03.18.08.2 To consider a response to Suffolk Highways recent emails regarding the street lighting inventory. As the necessary information was not to hand, this was deferred to the next meeting.

03.18.09 Planning

03.18.09.1 To consider the following planning applications:

It was proposed by Cllr Weston and seconded by Cllr Brown to object to the application for the same reasons as were given for the original objection in documents uploaded to the MSDC website on 16 and 17 July 2013 . The motion was carried by a majority vote (3 for, 1 against, 1 abstention)

To consider street naming at the Lion Road development.
The developer has proposed South Gardens and Martyn Close for the two road names required, the latter after a rector of Palgrave who was responsible for building the north aisle of the church and who laid the foundation stone for the school. The council viewed this latter name favourably but felt that an improvement could be made on 'South Gardens'. **Cllr Sneddon**, in particular, had several ideas. Suggestions from **all members** were requested for consideration at the next meeting.
